SUBJECT: Agreement with Blake's Wholesale Stone for Carl Moyer Program Grant Funds

Honorable Board:

Blake's Wholesale Stone (Blake's) has applied and qualified for funding through the Eastern Kern Air Pollution Control District (District) Carl Moyer Program (CMP). Blake's project will reduce NOx, ROG, and PM emissions by replacing an uncontrolled Tier 0 diesel-fueled compression ignition engine in a 1990 Komatsu dozer with an EPA Certified, Tier 3 diesel-fueled compression ignition engine operating in the Rand Mountains of the District.

Pollutant	NOx	ROG	PM
Emissions Reductions (tons/yr)	2.55	0.35	0.09

District will pay 85% of the actual costs associated with Agreement 07-022-2011 up to a maximum of \$131,232.00. Blake's is responsible for any project costs exceeding the District maximum funding amount. Blake's is required to maintain operation and report usage of the new tier 3 engine for a minimum of three (3) years.

Four copies of the proposed agreement, a sample copy of which is attached, were sent to the applicant to approve by signature and are expected to be returned to District prior to the Board Meeting. If any significant changes are identified by the applicant, the item will be withdrawn and the Agreement will be held to the September 2011 Board Meeting.

IT IS RECOMMENDED your Board approve and authorize Chairman to sign Agreement 07-022-2011 with Blake's Wholesale Stone.

Sincerely,

A handwritten signature in dark ink, appearing to read 'D. Jones', written over a horizontal line.
