Air Pollution Control Officer

January 13, 2022

Board of Directors  
Eastern Kern APCD  
2700 "M" Street, Suite 302  
Bakersfield, CA 93301

SUBJECT: Adoption of Amendments to Rule 412.1, (Transfer of Gasoline to Vehicle Fuel Tanks)

Honorable Board:

The Eastern Kern Air Pollution Control District (District) is proposing to adopt amendments to Rule 412.1 (Transfer of Gasoline to Vehicle Fuel Tanks). On October 20, 2021, the District held a public workshop at the District Field Office and Board Chambers located at: 414 W. Tehachapi Boulevard Suite D, Tehachapi, CA 93561, to present proposed amendments to Rule 412.1. District staff submitted copies of the proposed amendments to the California Air Resources Board and Region IX of the U.S. Environmental Protection Agency for review. A 30-day public review and comment period followed the workshop. No comments were received.

Rule 412.1 is being amended to update applicability standards for the transfer of gasoline into vehicle fuel tanks from stationary storage containers subject to the requirements of Rule 412 (Gasoline Transfer into Stationary Storage Containers, Delivery Vessels and Bulk Plants). Rule 412.1 will become effective immediately upon Board adoption. A Notice of Public Hearing was duly published more than 30 days prior this hearing in the following newspapers: Mojave Desert News, Daily Independent, Tehachapi News, and Bakersfield Californian. The notice requested written comments on amended Rule 412.1 and associated staff reports be submitted by January 12, 2022. A copy of the staff report, which includes the proposed amendments to the rule is attached.

**IT IS RECOMMENDED** your Board Open Hearing; Receive Public Comment; Close Hearing; Adopt Amended to Rule 412.1, (Transfer of Gasoline to Vehicle Fuel Tanks) and Resolution Number 2022-008-01.

Sincerely,

Glen E. Stephens, P.E.  
Air Pollution Control Officer
