SUBJECT: 2025 DMV Grant Program Agreements

Honorable Board:

At the May 1, 2025, Eastern Kern Air Pollution Control District (District) Board meeting, your Board approved funding for five DMV Grant Program projects. The five projects include one public EV charge station and four road improvements. Staff was directed to develop agreements to implement the five projects in the next fiscal year, and bring those agreements to the July 24, 2025, Board meeting for approval.

The five project agreements have been drafted, approved to as form by County Counsel, and distributed to the project proponents for review and signature. A list of all approved projects, which total \$244,995.00 in DMV Grant funds, is attached. After your Board approves the agreements, they will become effective upon the Chairman's signing.

Two sample agreements, one representing each project type, along with copies of Exhibit "A" from all five agreements is attached. Exhibit "A" of each agreement gives a brief project description, funding award amount, and project completion schedule.

IT IS RECOMMENDED your Board approve the five 2025 DMV Grant Program agreements and authorize the Chairman to sign said agreements.

Sincerely,

Gary Ray, Jr.
Air Pollution Control Officer
