SUBJECT: Proposed Amendment No. 1 to Agreement 01-006-2024 with Muroc Joint Unified School District

Honorable Board:

On January 11, 2024, your Board approved Agreement 01-006-2024 (Agreement) with Muroc Joint Unified School District (Grantee) for reimbursement by the District of up to \$90,000.00 in AB 923 funds to replace a 2008, 50-passanger, Blue Bird school bus with a 2023 or newer zero-emission electric school bus.

The Project Implementation Schedule in Exhibit "A" of the Agreement states: Old school bus shall be replaced, and new school bus shall be operational by January 11, 2026. The new school bus build is taking longer than anticipated due to the requirement to install additional children with special needs safety equipment. Grantee submitted a formal request to the District in early 2026 requesting to extend the project life to allow time for the new school bus to be completed.

Amendment 05-001-2026a will revise the Project Implementation Schedule in Exhibit "A" of the Agreement as follows; Old school bus shall be replaced, and new school bus shall be operational by January 11, 2027. All remaining terms, provisions, covenants, conditions and promises contained in the Agreement shall remain in full force and effect.

IT IS RECOMMENDED your Board approve and authorize Chairman to sign Amendment No. 1 (05-001-2026a) to Agreement 01-006-2024 with Muroc Joint Unified School District.

Sincerely,

Gary Ray, Jr.
Air Pollution Control Officer
