

KERN COUNTY AIR POLLUTION CONTROL DISTRICT

DEMOLITION PERMIT RELEASE

Before a Demolition Permit can be issued by any city or county building department, approval must be obtained from the Kern County Air Pollution Control District certifying the applicant has complied with notification requirements of the National Emissions Standards for Hazardous Air Pollutants (NESHAPS) for Asbestos. California Health and Safety Code, Section 19827.5 prohibits a building official from issuing a demolition permit until the applicant has demonstrated compliance with, or has been certified exempt from the NESHAPS notification requirement. It is the applicant's responsibility to obtain the required signature and return this form to the appropriate city or county building department.
