## **KERN COUNTY AIR POLLUTION CONTROL DISTRICT KCAPCD Field Staff Move to Tehachapi**

The field office of the Kern County Air Pollution Control District (District) located at 1775 Highway 58 in Mojave will be closed Wednesday February 20, 2008. The District's field staff is being relocated for at least six months to the Golden Hills Community Services District facility on Reeves Road in Tehachapi. Staff will remain in this temporary office until a suitable Kern County facility is acquired for use. The phone numbers in their new office will be the same, but may be inactive for one week while the phone company transfers their phones. If permit holders and the public need to contact the field staff they should call the District's main number 661-862-5250. The engineering and permitting staff will continue to be located at the District's main office in Kern County's Public Services Building at 2700 "M" Street, Suite 302, Bakersfield, CA 93301.

For more information, call the Kern County Air Pollution Control District Office (661) 862-5250.
